Dear College Counselor,

The 100th Infantry Battalion Legacy Organization is offering a scholarship for the 2013 academic year. This year's scholarship memorializes the Medics of the 100th Infantry Battalion (Separate). This award will be for \$3,000. The purpose of this scholarship is to perpetuate the 100th Infantry Battalion (Separate) military accomplishments and their motto of "Continuing Service." Although academics, extracurricular activities and leadership are highly regarded, we would like this award to go to a student whose actions, beliefs, commitment to community service and to perpetuating universal values like duty, honor, integrity, loyalty, personal courage, respect, and self-less service are stellar. In addition, we are looking for a student, who in the future will engage in perpetuating the legacy of the 100th Infantry Battalion so that others will value freedom, loyalty and patriotism.

Attachments to this letter include the scholarship application form and directions for applying. We appreciate your assistance in encouraging students to apply. If you or a student has questions, please feel free to contact the scholarship committee via e-mail info@100thLegacy.org. Students may also download all the scholarship information at: 100thLegacy.org.

Please note that the deadline for the application is **March 4, 2013**. An application submitted must contain all the information requested on the Checklist and must be postmarked by **March 4, 2013** or it will not be considered.

Mahalo for your support.

Respectfully,

Shelley Santo
