December 2020

Dear Principal and Post High School Counselor,

The 100th Infantry Battalion Legacy Organization announces its offering of two (2) scholarships for the 2020-2021 academic year. The first scholarship in memory of Mr. Kazuo Yamane for \$1,000 is being offered to Hawaii high school seniors who will be pursuing higher education in the Fall of 2021. The second scholarship, the Okazaki Scholarship for \$1,000, is reserved for Hawaii graduating seniors planning to attend a mainland college. This scholarship was endowed by a woman whose plans for a mainland college education were ended by the start of World War II.

The purpose of these scholarships is to perpetuate knowledge and understanding of the 100th Infantry Battalion (Separate) military accomplishments and their motto of "For Continuing Service." Although academics, extracurricular activities, and leadership are highly regarded, we would like these awards to go to students whose beliefs and actions show commitment to community service and to perpetuating the universal values of duty, honor, integrity, loyalty, personal courage, respect, and self-less service. **In addition, we are looking for students, who in the future will engage in perpetuating the legacy of the 100th Infantry Battalion WWII so that others will value freedom, loyalty, and patriotism.**

Attachments to this letter include the scholarship application form and directions for applying. We appreciate your assistance in encouraging students to apply. If you or a student has questions, please feel free to contact the scholarship committee via email: charlottetama@gmail.com
