January 2022

Dear Principal and Post High School Counselor,

The 100th Infantry Battalion Legacy Organization announces its offering of two (2) scholarships for the 2021-2022 academic year. The first scholarship is for \$3,000. The second scholarship in honor of Mr. Kazuo Yamane is for \$1,000. Both scholarships are being offered to Hawaii high school seniors who will be pursuing higher education in the Fall of 2022.

The purpose of these scholarships is to perpetuate knowledge and understanding of the 100th Infantry Battalion (Separate) military accomplishments and their post-war motto of "For Continuing Service." Although academics, extracurricular activities, and leadership are highly regarded, we would like these awards to go to students whose beliefs and actions show commitment to community service and to perpetuating the universal values of duty, honor, integrity, loyalty, personal courage, respect, and self-less service. **In addition, we are looking for students, who in the future will engage in perpetuating the legacy of the 100th Infantry Battalion WWII so that others will value freedom, loyalty, service and patriotism.**

Attachments to this letter include the scholarship application form and directions for applying. We appreciate your assistance in encouraging students to apply. If you or a student have questions, please feel free to contact the scholarship committee via email: charlotteyama@gmail.com

Students may download all the scholarship information at: 100thLegacy.org

Please note that the deadline for the application is **May 2, 2022**. An application submitted must contain all the information requested on the Application Checklist and **must be received by May 2, 2022** or the application cannot be considered.

Best wishes to all your students, and mahalo for your support.

Respectfully,

Charlotte Unni
